

## Emergency Notification System (ENS) Subscription Instructions

### **Get text notifications:**

#### ► **Join by text:**

1. Participants text our unique code (**@soto201819**) to the number **81010**.
2. Reply to the message from the Remind team with your first and last name, and you're in! \*\*This step might not apply to you if you previously subscribed to Remind.

#### ► **Join online:**

1. Visit [remind.com/join](https://remind.com/join) and enter our unique code (**@soto201819**) along with your mobile phone number.
2. Enter the 4 digit code sent to your phone. Once verified, you'll get text notifications at the number you entered.
3. *Optional:* Remind will ask you to create a password. Creating a Remind account online is optional. You do not have to create an account to receive texts. You can simply close the window without creating an account and you're all set!

### **Get mobile app notifications:**

1. Download the Remind app on your Android or iOS device, or go to [rmd.me/a](https://rmd.me/a) to install the app.
2. Once you've downloaded the app, create a parent account with your email address (or log in if you already have one).
3. Go to the Classes tab, tap the +, and enter our unique code **@soto201819**. That's it! You'll automatically get app notifications.

### **Get email notifications (requires creating an online parent account):**

#### ► **Join online:**

- Visit [remind.com/join](https://remind.com/join) and enter our unique code (**@soto201819**), your email address, and a password to create a Remind online parent account.

#### ► **Join from your inbox:**

- Send a blank email to [soto201819@mail.remind.com](mailto:soto201819@mail.remind.com). Please be patient as you wait for an email response with instructions to verify your email address. You will also be asked for your name and a password to create a Remind online parent account.
